Requirement Letter for Vehicle Renting website

I'm L.Tharinda Kithulgoda who is the owner of Janahitha Tours writing this letter to address the main requirements that preferred to present in the discussed web application. We hope to have more productive outcome by replacing our manual system to a web-based application.

Proposed system should include,

- User management
- Vehicle management
- Equipment management
- Price management
- Booking management
- View analytical data

The discussed time period for the proposed system is ten weeks. The final outcome should represent the quality and design as agreed in the meeting.

Sincerely,

L.Tharinda Kithulgoda (Owner, Janathita Tours).
